**Death of Sherman H. Clark.**  
The people of Pocahontas county and  
many in Greenbrier, who knew him  
well, were painfully shocked when the  
news came yesterday that Sherman H.  
Clark, Esq., had died the day before at  
a hospital in Richmond, Va., where he  
had been for several weeks, recovering,  
as it was hoped, from an operation for  
cystic lithiasis. His body was brought  
to Ronceverte, where it was met by  
friends from Hillsboro, near which  
town Mr. Clark lived, and taken up on  
the Greenbrier River R. R. yesterday  
for interment. Mr. Clark was a na-  
tive we believe, of Connecticut, but  
had lived in Pocahontas pretty much  
all his life. He was one of the most  
substantial men in that county—a for-  
mer of the County Court, an Elder in  
the Presbyterian church, a leading  
farmer and grazier and in all respects a  
most excellent man and citizen whose  
death will be keenly felt throughout the  
county. By patient industry, the exer-  
cise of good judgment and judicious in-  
vestment Mr. Clark had accumulated a  
very considerable fortune, consisting  
mainly, if not entirely, of fine lands and  
stock. He was about 75 years of age  
and leaves a wife and one daughter—  
Mrs. Lee Beard—surviving him.
